Harvest season is underway in North Carolina and our orchard has good quantities of holistically grown cider apples available. Pricing ranges from \$45 to \$56 per bushel (for non crabapples). Crabapples range from \$63 to \$94 per bushel. Discounts available at 20 plus bushel orders. We also offer u-pick for commercial customers at a substantial discount. We are located in Westfield, NC, not far from Mt. Airy and the Virginia line.

Please visit our website, [www.kordickfamilyfarm.com](http://www.kordickfamilyfarm.com), for more information about our orchard and practices. Please email ([cheers@kordickfamilyfarm.com](mailto:cheers@kordickfamilyfarm.com)) or call (336-351-5186) for varietal availability.

Travellers are welcome to camp at the farm.
