After a few years of pandemia, CiderDays is back on the first weekend on November.

Quite a lot of apple and cider activities, including:

- Pomological exposition by Matt Kaminsky on Friday 4th (see [[gnarlypippins.com](#)])
- Lots of talks and activities organized by Ria Windcaller (Cider Chat) in Greenfield (<https://ciderchat.com/ciderdays/>)
- Panel on use of wild apples in cider with John Bunker, Matt Kaminsky, Gaston Picoulet and myself, at West County Cider on Sunday 6th ([Schedule at West County](#))

And lots more...

Hope to see you there!

Claude

And PS, Todd (or other admin), it would be nice if this was posted in the upcoming events...
