Some people over on a google group for cider have been using this trap for codling moths with success.

Note that Costco sells it for cheaper online, too.

I'm curious what it actually attracts - pests vs. helpers.

Earthworks

Zone 7a in West-Central MD

Non-commercial, ~100 fruit trees, dwarf to MM106

I just got mine in. I'm going to trial it for a month and share the results. The reviewers on Amazon state that it catches a lot of moths.
