We have scionwood again for 2018. As mentioned last year, go to Paul first for your cider varieties. We should have a couple of hundred varieties posted later in Feb, but some are listed now here -

I'm looking for the some Bonkers scion if anyone has any.

I would also like to try :

Priscilla

Enterprise

Novaspy

Sansa

Sundance

3 sticks of each. I can get all but the Bonkers from other sources but will buy it from members if they are interested.

thanks, Pat
